

25th Annual WisMATYC Conference

Saturday, September 29, 2018

UW Washington County

Join your colleagues from around the state for our 25th Annual WisMATYC Conference in West Bend, near Milwaukee. Our conference is a fantastic deal at only \$30, which includes the conference sessions, lunch and snacks, and your WisMATYC membership.

This year's session topics include

- Discussion and group work in math? AND online? Seriously??!?
- Contextualize to Learn: Preparing Faculty Toward Math Contextualization for Student Success
- Closing the Gap: Increase Persistence and Success in STEM at Oakton CC
- Co-requisite Courses: The Newest Thing in Math Programs
- Contextualization, Schematic Scaffolding, and Story Telling
- A New Approach to an Old Calculus
- Teaching Quantitative Reasoning Using a Project Approach
- Basic Mathematics of Machine Learning
- Number Talks in Calculus
- Encourage Student Growth and Exploration
- WisMATYC Business Meeting and AMATYC Updates
- WisMATYC Elections

To register, email WisMATYC Membership Chair
Kevin Ritzman at ritzman@fvtc.edu.

Register by Friday September 21.

The \$30 conference fee is payable in cash or check and will be collected when you check in at the conference.
